Arabian Recruitment

A specialized company
in international recruitment
positioned among the
largest firms
in the Middle East

Who We Are

We are an Egyptian firm specializing in recruiting exceptional local talents for international placements. Committed to our partner's success, we forge connections with top-tier Egyptian professionals worldwide.

Functioning as collaborative allies to our clientele, our core objective revolves around delivering comprehensive workforce solutions. Our spectrum of services encompasses recruitment, compensation management, training, and overseas employment facilitation.

Arabian Recruitment collaborates closely with its clients, including local and regional companies, to enhance their human resource systems and achieve optimal workforce solutions. We provide an expansive and diverse database of highly specialized professionals with hundreds of thousands of registered job seekers. This extensive resource allows us to efficiently match the most suitable candidates to vacant positions, ensuring swift responses to urgent recruitment needs.

Why is Arabian Recruitment considered the best choice ?

- We collaborate as a unified team to fulfill our client's needs across all fields with utmost skill and speed .
- We possess a broad , diverse , and meticulously curated database to provide our clients with precisely what they demand through thorough analysis .
- The ease of conducting personal interviews for candidates whether within our state-of-the-art equipped offices or through communication channels and interview programs such as Zoom meetings, Skype, and others .
- Completion and monitoring of visa issuance procedures for contracted employees .
- Monitoring travel, residency issuance, and work permit card processes .
- Authentication of the required certificates, based on each position and according to the requirements of each country, in alignment with their respective standards .

Our Vision

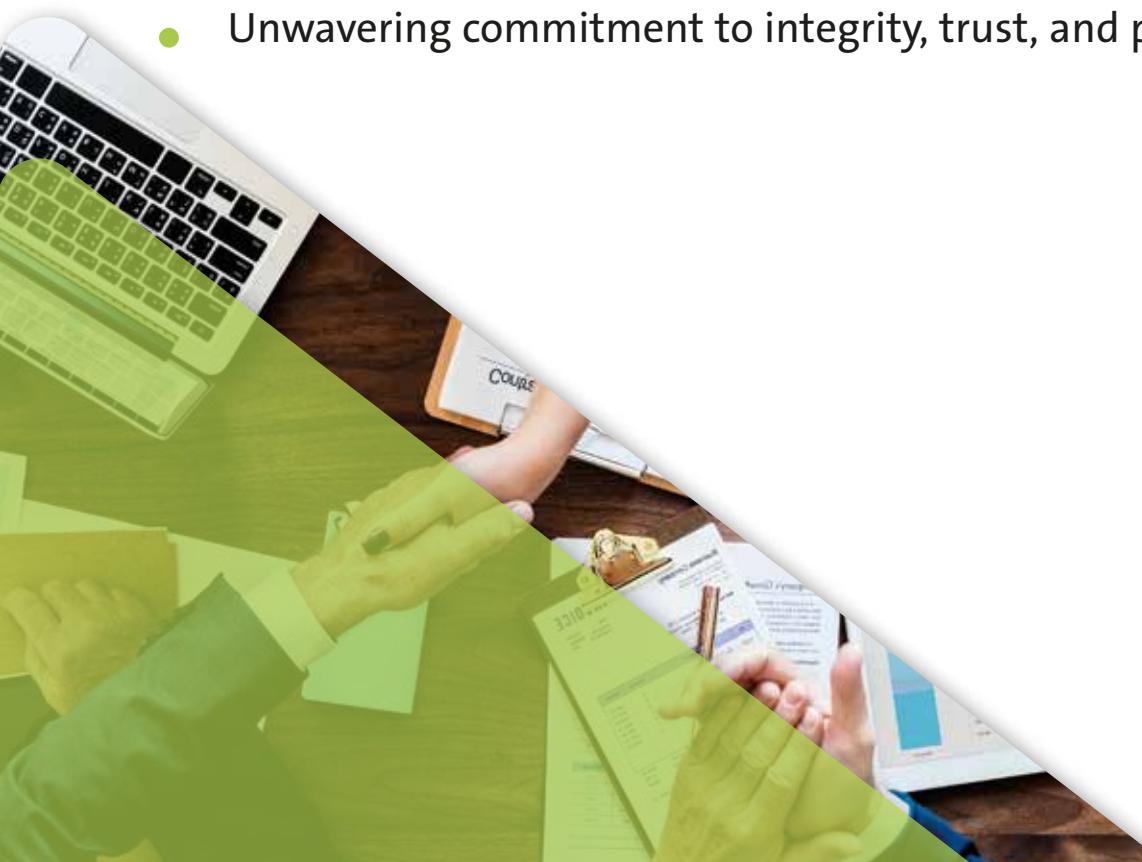

- Our paramount goal is to enhance client success through top-tier talent acquisition and cost-efficient labor solutions. We remain steadfast in our leadership within cross-border recruitment, prioritizing enduring outcomes, client partnerships and innovative advancements in recruitment technology.

Our Mission

- Our aspiration is to stand as a symbol of triumph in the corporate realm, presenting our clients with impeccably chosen and adept professionals within their domains. We envision ourselves as collaborative associates in their journey towards prosperity.

Our Values

- Dynamic adaptation to align with client demands
- Client-centric innovation
- Unwavering commitment to integrity, trust, and professionalism
